

PLAY DISC JOCKEY

AT STEREO SALES SOUTH!

COME PLAY THE BEST professional sound equipment for 1980 at **Stereo Sales South.**

You take charge of the studio mixing board, program the music,

announce the cuts, and drive thundering West Coast

speakers with high-powered amps.

Play DJ. Let loose. Have fun. Feel the kind of equip-

ment we install in discos, halls, even football stadiums: brands like Crown, Tapco, Kelsey, Numark, Kenwood,

and Cerwin Vega. Then test

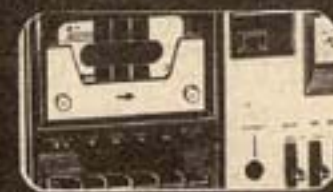

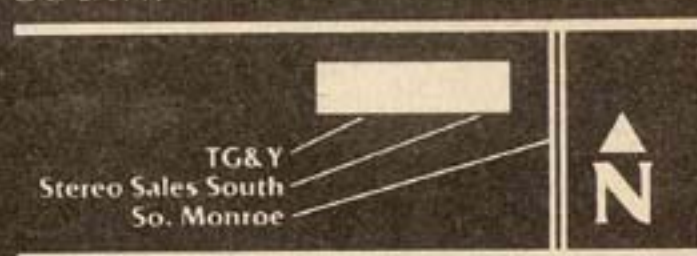

out our specially-priced home systems and

accessories too. We always give you the best hi-fi your

money can buy. Stereo Sales South.

Discover Convenient Recording From \$169

Add a new **Toshiba PC-2460** cassette deck for a convenient, safe, and inexpensive way to store and expand your music collection. Features Dolby, MPX filter, Permalloy heads.

With Any System . . . Only \$169

\$539 Buys A 27-Watt Kenwood System Worth \$800

Enjoy astonishing clarity from a 27 watt-per-channel receiver with only 0.05% distortion. The **Kenwood KR-3010** AM/FM receiver also features a high-performance tuner section for strong FM reception even in Tallahassee's hilly broadcast area. Your new **Kenwood KD-1500** belt-drive turntable with **Andante H** cartridge tracks accurately and looks pro. Two perfectly matched **Kenwood LS-403 8"** 2-way speakers pack big sound into a convenient bookshelf size to fit anywhere. Plus at **Stereo Sales** we even throw in the patch cords and speaker wire.

\$649 Buys An Accurate Advent System Worth \$775

Take home a great pair! Take home this complete system featuring **Advent/2** classically accurate, all-American, 8", 2-way speakers that give you music just the way it was mixed.

Add the perfectly-matched **Advent 300** receiver with 15 watts, cleaner than most receivers with twice the power.

To feed this fine equipment the signal it deserves, track with your **Dual CS-504** turntable, featuring one of the finest tonearms made today, with an **Ortofon 55E** cartridge.

\$978 Buys You a 60-Watt Kenwood System Worth \$1132

Start with a **Kenwood KR-6050** receiver for 60 watts-per-channel from **Kenwood's** new "high-speed" amplifier technology that makes tonal quality even more like live. Three tone controls, twin power meters, two tuning meters, and two tape inputs give you wide flexibility. Your new **Kenwood KD-3100** turntable matches receiver with **Andante S** high-quality cartridge to produce a near-perfectly flat signal. A pair of classic, all-American **Advent Large** speakers reproduce the signal more accurately than any other speakers you've heard, so you'll stay satisfied many years.
