In 2004 he graduated from Johnson & Wales University and joined the team of Chef Dean James Max at Latitude 41, in Columbus, Ohio. ## James Republic does California Coastal cuisine

[Restaurant copy]

This upscale eatery in downtown Long Beach treats Angelinos and visitors to California culture and cuisine. Its authentic approach extends to the bar, which makes hand-crafted cocktails from small-batch spirits with seasonal herbs and spices. Craft beers come from local brewers, and coffee lovers appreciate the work of artisanal roasters in the hands of expert baristas.
